ITBS03 PRACTICE TEST IN LANGUAGE ARTS - KINDERGARTEN
TEACHER DIRECTIONS - FORM A

Teacher says: Go to page 1. This test is about how well you understand the way people use words. Listen to each story and then answer each question by choosing the correct picture. Now we will do Sample A together.

Fill in the circle under the picture of the two friends who are laughing.

Wait while students fill in an answer.

Teacher says: The first picture shows two girls laughing. That is the picture where you should have filled in the circle.

Now we will do some more like these. Listen carefully to what I read so you can fill in the circle under the correct answer.

Go to Number 1. Look at the three pictures. Kayla was making signs to show where their apartment was for a party. She drew an up arrow to go at the bottom of the stairs. Fill in the circle under the picture of the up arrow.

Look at Number 2. Jan's mom bought some bananas at the store. She picked out the bunch that had the most bananas in it. Fill in the circle under the group of bananas that had the most in it.

Move to Number 3. The girl likes having a garden. Fill in the circle under the picture that shows that the girl will water the plants.

Teacher says: Go to page 2. Look at Number 4. Look at the three pictures. They are a food processor, an ice chest, and a stove. Listen carefully to the three words I say. Refrigerator, dishwasher, microwave. Fill in the circle under the picture that is most like these words.

Look at Number 5. Kyle and his brothers like to play sports. Each of them has a favorite game that they like to play. Each game requires something different to play it. Kyle's game uses the lightest item. Fill in the circle under the picture that shows what Kyle needs to play his game.
