STANFORD10 PRACTICE TEST IN LANGUAGE ARTS - GRADE 1
TEACHER DIRECTIONS - SHORT FORM A

Teacher Says: Look at Sample A on page 1. Here you see three words. Listen as I say a word and then read a sentence with that word in it. Want. My friends want new bikes. Want.

Wait while students mark an answer.

Which one of the answer choices shows want spelled correctly? Yes. That's right. You should have marked the circle under the first word w-a-n-t, because it is spelled correctly.

Now look at Sample B. Above. Put this on the shelf above the couch. Above. Which answer choice shows the word above spelled correctly? Fill in the circle under the word that is spelled correctly.

Wait while students select the answer.

Teacher Says: Which answer did you mark? Yes. That's right. You should have filled in the circle under the third answer choice. The answer choice shows the word above spelled correctly. The other two answer choices are misspelled. Do you have any questions? Mark the circle under the word in each row that is spelled correctly. Now we will work on numbers 1 through number 30. Listen carefully as I tell you a word and a sentence using that word. Mark the circle under the one word that is spelled correctly.

Look at number 1. Early. We ride the early bus. Early.

Look at number 2. Asleep. The baby is asleep. Asleep.

Look at number 3. Clock. The clock needs a new battery. Clock.

Look at number 4. Knew. He knew the best answer. Knew.

Look at number 5. Pink. Pink is my favorite color. Pink.

Look at number 6. Near. We sit near the back of the bus. Near.
