CTBS SCIENCE PRACTICE TEST - GRADE 2
TEACHER EDITION

Teacher says: Listen as I read a question. Then find the correct answer for that question. (Teacher verbalizes what pictures represent.) Teacher says: Look at pictures in Sample A. Find the picture that shows something that is a living thing.

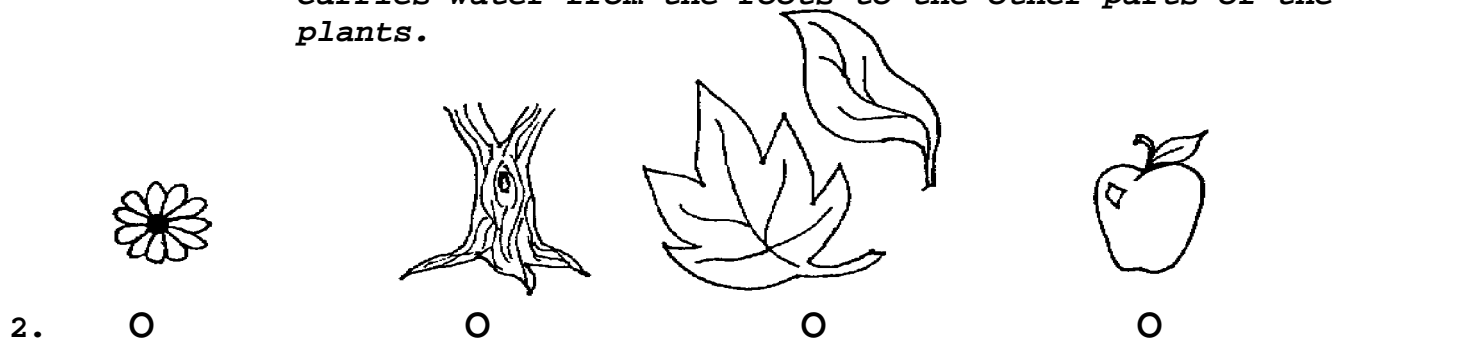

Teacher says: You should have marked the flower. It is the living thing in Sample A. Now we are going to do some more questions.

Teacher says: Look at the pictures of the trees. Mark the tree that would look the same all year.

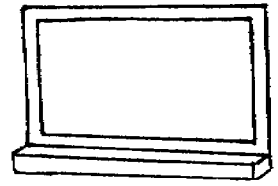

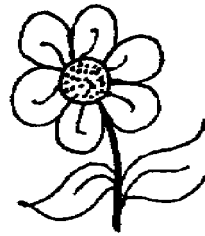

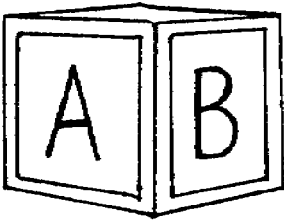

Teacher says: Look at the pictures. Find the part of the plant that carries water from the roots to the other parts of the plants.
