ITBS PRACTICE TEST IN LANGUAGE ARTS - KINDERGARTEN - FORM B  
TEACHER EDITION

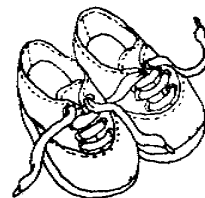

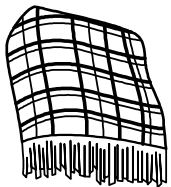

Teacher says: This test is about listening and understanding what you hear. First I will read a short story to you. Then you will fill in the circle under the picture that goes with the story. Listen carefully to each story. We will do the first one together. Look at the first row where you see the letter A.

Teacher says: Bobby and his mom are going to plant some flowers. They need a flower pot, some potting soil, and something to put some water in. First, Bobby filled the flower pot with potting soil; then he put the flower in it. Last his mom told him to get some water from the kitchen. Fill in the circle under the container Bobby took to get the water in.

Teacher says: You should have filled in the circle under the first picture. It shows the container that Bobby took to put the water in. Now we will do some more like these. Listen carefully as I read each story. Then decide which picture goes with the story.

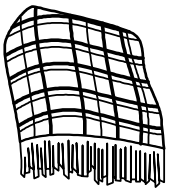

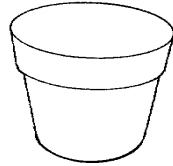

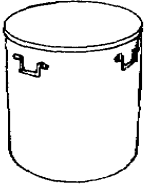

Teacher says: Move down to the next row. Jessie and her family were going on a picnic. Her mom gave Jessie a list of things to gather up. She told her to get her sunhat, her shoes, and a blanket for them to eat on. Jessie gathered up the things on her list. When she went to put them in the car, she had her sunhat and her shoes. Fill in the circle under the picture that shows what Jessie forgot to get for their picnic.
