TEACHER DIRECTIONS FOR LISTENING SECTION - FORM A

Teacher says: Go to the directions at the top of page 1. Read them silently as I read them. "DIRECTIONS: Listen carefully to each question as I read it. Then listen and read along as the answer choices are read. Choose the best answer for the question."

Teacher says: Look at Sample A. Listen to the sentence and four answer choices that I read. He was *anxious* for the ballgame to begin. To be *anxious* means to be-- A unsure... B eager... C unprepared... D late.

Wait while students select their answer.

Teacher says: What answer choice did you choose? Yes. That's right. You should have chosen "B", eager.

The answer choices are written in your test so you can follow along with me. I will read a sentence, and then I will read the answer choices to you while you read them to yourself. Choose the best answer and mark the space for your answer on your answer sheet. Do not write on your test. Any questions?

Read the question number before each question.
